**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the matter of application Serial No. 79/117,572
For the Trademark "ANIMALPETBOOK And Design"
Published in the Official Gazette on September 17, 2013

FACEBOOK, INC.,)	
)	
Opposer,)	
)	Opposition No.
v.)	
)	
SYLVIA GREIF,)	
)	
Applicant.)	
_____)	

NOTICE OF OPPOSITION

Opposer Facebook, Inc. ("Facebook"), a Delaware corporation having its principal place of business at 1601 Willow Rd., Menlo Park, California 94025, believes that it will be damaged by the issuance of a registration for the mark ANIMCALPETBOOK And Design (the "ANIMALPETBOOK Mark" or "Applicant's Mark"), as applied for in Application Serial No. 79/117,572 filed on July 17, 2012 by Applicant Sylvia Greif ("Applicant"), an individual having a mailing address at 15, rue Honore Labande, MC-98000, Monaco, MONACO.

As grounds for opposition, Facebook alleges that:

1. Since its online networking service was launched in February 2004, Facebook has continuously used the mark FACEBOOK in interstate commerce in the United States in connection with its goods and services.

2. Facebook owns multiple U.S. registrations for the mark FACEBOOK. These registrations cover a wide variety of goods and services, including, but not limited to:

- Creating an on-line community for registered users to participate in discussion, get feedback from their peers, form virtual communities, and engage in social networking;
- Providing online chat rooms and electronic bulletin boards for registered users for transmission of messages concerning collegiate life, general interest, classifieds, virtual community, social networking, photo sharing, and transmission of photographic images; provision of on-line forums for the transmission of photographic images; provision of on-line forums for communications on topics of general interest;
- Online chat functions for transmission of messages, photographs, videos, and other user-defined content;
- Audio and video broadcasting services over the Internet or other communications network for uploading, posting, showing, displaying, tagging and sharing audio, and video clips; and
- Advertising and information distribution services, namely, providing classified advertising space via the global computer network; promoting the goods and services of others over the Internet; providing on-line computer databases and on-line searchable databases in the field of classifieds.

3. True and correct copies of registrations for the FACEBOOK mark are attached hereto as Exhibit A, and are incorporated by reference as though fully set forth herein.

4. In addition, Facebook owns common law rights in the FACEBOOK mark and marks that incorporate FACEBOOK in connection with various other goods and services, including as identified in pending U.S. trademark applications. True and correct copies of the U.S. Patent and Trademark Office online status pages for Facebook's pending trademark applications for its FACEBOOK and FACEBOOK-formative marks are attached hereto as Exhibit B, and are incorporated by reference as though fully set forth herein. All of Facebook's marks that consist of or incorporate the term FACEBOOK are referred to herein as the "FACEBOOK Marks."

5. The FACEBOOK mark is highly distinctive with regard to online networking goods and services. Moreover, through Facebook's widespread use of the FACEBOOK Marks,

extensive and continuous media coverage, the high degree of consumer recognition of the FACEBOOK Marks, Facebook's enormous and loyal user base, its numerous trademark registrations and pending applications, and other factors, the FACEBOOK Marks have become famous within the meaning of Section 43(c) of the United States Trademark Act, 15 U.S.C. § 1125(c).

6. On July 17, 2012, Applicant filed an application to register the ANIMALPETBOOK Mark for: "Dissemination of advertising matter, compilation of information into computer databases, marketing, on-line advertising on a computer network, presentation of goods on communication media for retail purposes, rental of advertising space, advertising" in International Class 35; "Electronic bulletin board services, providing user access to global computer networks, providing chat rooms on the Internet, transmitting greeting cards on-line, communications via computer terminals, electronic message sending, electronic mail" in International Class 38; "Provision of search engines for the Internet, software development" in International Class 42; and "Dating services" in International Class 45 (the "Opposed Services"), among other goods and services.

7. Applicant's Mark was published in the *Official Gazette* on September 17, 2013.

**FIRST GROUND FOR OPPOSITION:
LIKELIHOOD OF CONFUSION**

8. Facebook incorporates by reference Paragraphs 1 through 7, inclusive, as if fully set forth herein.

9. Facebook began using its FACEBOOK mark at least as early as February 2004, and filed applications resulting in federal registrations well prior to Applicant's application to register the ANIMALPETBOOK Mark or, on information and belief, any actual use by Applicant of Applicant's Mark.

10. The FACEBOOK Marks are strong and famous.
11. The ANIMALPETBOOK Mark is similar to the FACEBOOK Marks in commercial impression.
12. Applicant's Opposed Services offered, or to be offered, under the ANIMALPETBOOK Mark are the same as and/or highly related to Facebook's goods and services.
13. Applicant's Opposed Services are, and/or will be, offered through the same channel of trade as Facebook's goods and services.
14. Facebook is informed and believes, and based thereon alleges, that Applicant's Mark was adopted with knowledge of, and the intent to call to mind, create a likelihood of confusion with regard to, and/or trade off the fame of Facebook and the FACEBOOK Marks.
15. Applicant's Mark suggests an affiliation or connection between Applicant and Facebook, where none exists.
16. Facebook is not affiliated or connected with Applicant or her services; nor has Facebook endorsed or sponsored Applicant or her services.
17. Facebook has no control over the nature and quality of the Opposed Services that are, and/or will be, offered under the ANIMALPETBOOK Mark, and the value of Facebook's FACEBOOK Marks would be jeopardized by the registration of Applicant's Mark for the Opposed Services. Because of the likelihood of confusion between the parties' marks, any defects, improprieties, or faults found with Applicant's Opposer Services marketed under the ANIMALPETBOOK Mark would negatively reflect upon and injure the reputation that Facebook has established for the goods and services it offers in connection with the FACEBOOK Marks.

18. Registration of the mark for the Opposed Services will damage Facebook because Applicant's Mark is likely, when used on or in connection with the Opposed Services, to cause confusion, or to cause mistake or to deceive. Thus, Applicant's Mark for the Opposed Services is unregistrable under 15 U.S.C. §§1052, 1053, 1063 and 1125 and should be refused registration.

**SECOND GROUND FOR OPPOSITION:
DILUTION OF A FAMOUS MARK**

19. Facebook incorporates by reference Paragraphs 1 through 18 inclusive, as if fully set forth herein.

20. The FACEBOOK Marks are inherently distinctive in relation to online networking goods and services.

21. Facebook has used the FACEBOOK trademark since at least as early as 2004 for online networking goods and services, and has expanded use of the FACEBOOK Marks to many other goods and services.

22. Facebook is the owner of numerous U.S. registrations and applications for the FACEBOOK Marks.

23. Facebook has continuously used the FACEBOOK Marks throughout the United States and internationally.

24. As a result of the enormous publicity afforded the FACEBOOK Marks, and the strong and loyal base of customers that enjoys Facebook's goods and services, the FACEBOOK Marks have a high degree of consumer recognition, are widely recognized by the general consuming public of the United States as a designation of Facebook's goods and services, and are famous.

25. The FACEBOOK Marks became famous before Applicant filed to register the

ANIMALPETBOOK Mark on July 17, 2012 or, on information and belief, any actual use by Applicant of Applicant's Mark.

26. Applicant's Mark is so similar to the registered FACEBOOK Marks as to be likely to cause an association between Applicant's Mark and the FACEBOOK Marks that impairs the distinctiveness of the FACEBOOK Marks and weakens the connection in the public's mind between the FACEBOOK Marks and Facebook's goods and services.

27. Applicant's Mark is likely to cause dilution by blurring based on a number of relevant considerations, including:

- (a) Applicant's Mark is similar to the FACEBOOK Marks;
- (b) The FACEBOOK Marks are inherently distinctive in relation to online networking goods and services;
- (c) Facebook has made substantially exclusive use of the FACEBOOK Marks in connection with online networking goods and services;
- (d) The FACEBOOK Marks are widely recognized by the general consuming public;
- (e) Facebook is informed and believes, and based thereon alleges, that Applicant's Mark was selected with the intention to create an association with the FACEBOOK Marks.

28. Accordingly, Applicant's Mark is unregistrable under 15 U.S.C. §§ 1052, 1053, 1063, and 1125, and should be refused registration.

//

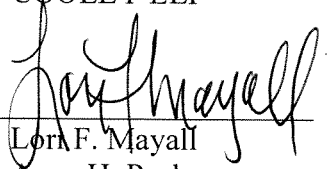

//

//

Wherefore, Facebook prays that this Opposition be sustained, and that Application Serial No. 79/117,572 be refused for the Opposed Services.

Respectfully submitted,

Date: January 15, 2014

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*
What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.*
See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*
What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or
reminder of these filing requirements.**

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.*
See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or
reminder of these filing requirements.**

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.
